Microsoft Certified: Security Operations Analyst Associate

Issued by: Microsoft**Issued to:** Goran Wolf**Issued on:** 28 February 2023**Expires on:** 28 February 2024

Description

Earning Security Operations Analyst Associate certification validates the skills and knowledge needed to reduce organizational risk by rapidly remediating active attacks on the environment, advising on improvements to threat protection practices, and referring violations of organizational policies to appropriate stakeholders. Candidates investigate, respond to, and hunt for threats using Microsoft Azure Sentinel, Azure Defender, Microsoft 365 Defender, and third-party security products.

**Course Number:** MLS-0075 (v.1)**Total Credits:** 3**Grade:** Pass

Credit Recommendation

- 3 semester hours in cloud security in the lower-division undergraduate category

CompTIA Security+ ce Certification

Issued by: CompTIA**Issued to:** Goran Jack Wolf**Issued on:** 19 April 2019**Expires on:** 10 November 2026

Description

Earners of the CompTIA Security+ certification have the knowledge and skills necessary to perform core security functions required of any cybersecurity role. CompTIA Security+ professionals know how to identify and address potential threats, attacks and vulnerabilities and they have established techniques in risk management, risk mitigation, threat management and intrusion detection.

CompTIA Security Analytics Professional – CSAP Stackable Certification

Issued by: [CompTIA](#)

Issued to: Goran Jack Wolf

Issued on: 10 November 2020

Expires on: 10 November 2026

Description

Earners of the CompTIA Security Analytics Professional (CSAP) are security analytics professionals that have the ability to plan and carry out security measures to protect an organization's computer networks and systems.

CompTIA CySA+ ce Certification

Issued by: [CompTIA](#)

Issued to: Goran Jack Wolf

Issued on: 10 November 2020

Expires on: 10 November 2026

Description

Earners of the CompTIA Cybersecurity Analyst (CySA+) certification have the skills and knowledge to perform incident detection, prevention and response through continuous security monitoring. Includes analysis of indicators of malicious activity, threat hunting and threat intelligence concepts, appropriate tools and methods to manage, prioritize, and respond to attacks and vulnerabilities, performing incident response processes and understanding related reporting and communication concepts.

CompTIA Network Vulnerability Assessment Professional – CNVP Stackable Certification

Issued by: [CompTIA](#)

Issued to: Goran Jack Wolf

Issued on: 18 May 2023

Expires on: 18 May 2026

Description

Earners of CompTIA Network Vulnerability Assessment Professional (CNVP) certification have the knowledge and skills required to scan applications and systems to identify vulnerabilities that can be used as a blueprint for improvements.

CompTIA Network Security Professional – CNSP Stackable Certification

Issued by: [CompTIA](#)

Issued to: Goran Jack Wolf

Issued on: 18 May 2023

Expires on: 18 May 2026

Description

Earners of the CompTIA Network Security Professional (CNSP) have the knowledge and skills required to monitor networks for threats or unauthorized users as well as analyze security risks and develop response procedures.

CompTIA PenTest+ ce Certification

Issued by: [CompTIA](#)

Issued to: Goran Jack Wolf

Issued on: 18 May 2023

Expires on: 18 May 2026

Description

Earners of the CompTIA PenTest+ certification have the knowledge and skills necessary to perform hands-on penetration testing to identify, exploit, report and manage vulnerabilities on a network. CompTIA PenTest+ professionals have demonstrated the hands-on ability and knowledge to find vulnerabilities in newer environments such as cloud and hybrid, web applications, embedded devices, as well as traditional desktops and servers. These skills help organizations comply to regulations.

AMERICAN COUNCIL ON EDUCATION TRANSCRIPT LEGEND

This official transcript contains credentials evaluated by the American Council on Education. The following policies apply only to ACE validated and endorsed credentials within the transcript. The American Council on Education's Learning Evaluations connects workplace learning with colleges and universities by helping adults gain access to academic credit for formal courses and examinations taken outside traditional degree programs. ACE is the national leader in the evaluation process for education and training obtained outside the classroom.

ACE Learning Evaluations reviews are conducted by experienced college and university faculty who assess the content, scope, and rigor of an organization's educational program and make appropriate recommendations for comparable college credit and competencies achieved by students. For more information on processes and standards for ACE reviews, visit <https://www.acenet.edu/Programs-Services/Pages/Credit-Transcripts/Colleges-Universities.aspx>.

DEFINITIONS

American Council on Education Endorsement: Credentials that carry an ACE endorsement of recommended college credits or validated competencies are designated by the ACE logo in the left margin.

Name: Legal name as entered by the student at the time of transcript request. Because students may complete courses from multiple organizations, each credential also includes the name under which the credential was issued for tracking and verification if necessary.

Credly ID#: Due to a system of record change in 2019, student ID numbers may not match numbers on older ACE transcripts.

Issued on: The date when the student completed the associated credential.

Courses: ACE-endorsed credentials include a unique identifier that ACE assigns to courses and examinations. The letter prefix designates the organization providing the experience. Duplicates may appear if a student took and passed a course or examination more than once.

Credit Recommendations: Recommendations for college credit are designated in semester hour units (SH). Each recommendation includes a total number of SH credits recommended and a breakdown of one or more subject areas and credit levels. Levels for which recommendations are issued include Vocational/Certificate, Lower Division (100-200 level courses), Upper Division (300-400 level courses), and Graduate (500+ level courses).

Grade: ACE-endorsed credentials are only included on this official transcript if the student achieved a passing grade. ACE-endorsed courses and exams meet the following minimum grading requirements: Students must earn a minimum "C" grade for Vocational/Certificate, Lower Division, and Upper Division credit and a minimum "B" grade for Graduate level credit.

RESOURCES

Additional information on ACE-endorsed educational programs, such as learning outcomes, assessment methods, etc. can be found in the National Guide to College Credit for Workforce Training at <https://www.acenet.edu/national-guide/>. Military training and occupations that carry college credit recommendations can be found at The ACE Military Guide at: <https://www.acenet.edu/Programs-Services/Pages/Credit-Transcripts/military-guide-online.aspx>.
